

Indian Summer Card Collection - Frozen in the Limelight

What you will need to recreate this project:

- 1 x A6 (10.5 x 14.8 cm) card blank - white
- 9 x 13.5 cm piece from the 30cm (12") square paper
- Approx. 35 cm x 7mm ribbon - blue
- 7.5 cm (approx) die cut decorative circle
- 2 x large 'butterfly in flight' peel offs - silver
- Fine line border peel offs - silver
- Scrap of co-ordinating Gemstones card
- Scrap of acetate

How to assemble this project:

Edge the feature paper with border peel offs, then wrap the ribbon carefully around & tie in a bow, trim the ends if necessary. Use 3D pads to secure the ribbon to the back of the paper & the paper, centrally to the front of the main card.

Still using the 3D pads, attach the die cut circle centrally, above the ribbon, onto the top two thirds of the card.

Attach one butterfly to the Gemstones card & the other to the acetate & trim both out. Using 3D pads attach the gemstones one onto the die cut circle &, having flexed the wings of the second, use glue gel to align it on top of the first.

Put aside to dry.
