

# A4 Alternative

Use an A4 sheet of card & cut two adjoining shapes.

Cut a third shape separately

Fold one of the adjoining shapes in half to form the easel.  
Stick the third shape to the front.

## Main Card Template

Using an A3 card in landscape position, measure  
& mark points

both top & bottom of the card at 140 & 280 cm

Score & fold these lines, concertina wise.

Draw two of these scalloped circles side by  
side on one panel.

Cut through all three layers ensuring that the top &  
bottom two 'petals' remain attached.

Open up ready to decorate.
